## HOBBIES AND INTERESTS

🎨 **Drawing.** One of my main hobbies is drawing. I enjoy exploring various techniques, including sketching, shading, and digital art. This creative outlet allows me to express ideas visually, improve attention to detail, and refine my artistic skills. Drawing helps me relax and continuously develop my creativity.

📖 **Reading detectives.**  
I enjoy reading detective novels, which sharpen my analytical thinking and attention to detail. I am particularly drawn to intricate plots, solving mysteries, and uncovering hidden clues. This hobby enhances my problem-solving skills and keeps me engaged in critical thinking, while also providing a relaxing escape.

## WORK EXPERIENCE

Polina  
[1 Aug 2023 - 18 Jun 2024]  
City: KYIV  
Country: Ukraine  
As a Tutor, I helped my younger brother prepare for his 11th-grade final exams, focusing on math and Ukrainian. I developed personalized study plans, explained complex concepts, and provided practice exercises. My guidance improved his understanding and confidence, leading to significant academic progress in both subjects.
